Koh Rong City Administrative Boundary

2

Scale 1: 50,000

0 1 2 3 k.m

This map was created using satellite imagery taken in March 2023. All plot measurement information is also drawn by using this image as well. Satellite imagery is used to generate information for natural resources and infrastructure. The location of the plot is drawn by using aerial imagery and field inspections. Village name and administrative boundary information is provided by Sangkat Koh Rong Land Management Authority.
